

SUMMER SOLSTICE 2010

Celebrate the time of ripening & the year's longest day

1-5PM

An afternoon of activities!

In the Garden: weeding & seeding, worm composting, herb & plant walk, check out the hives, make the labyrinth.

In the Kitchen:

Make cheese, bake bread, cook seasonal recipes, bottle honey.

Other activities:

Crafts & building projects ~ Learn about Biodynamics, recycling, green cleaning products, rainbarrels, fruit crops ~ & more!

5-6PM

Walk the Labyrinth & reflect on the seasons' cycles

6PM-dusk

Local, seasonal potluck meal

Bring food or (non-alcoholic) drink to share ~
If not local & seasonal, just bring it and welcome!

Musical instruments & voices welcome, too.

Fire spinners? We hope so!!

Saturday, June 19, 2010
